On June 25th, Adam Salzman set a new team record for the 13-14 Boys 100 yard Butterfly event with a time of 59.79. The prior record was set in 1995, at 1:00.12. Nice job!

Also on June 25th, Melanie Koto established a new team record for the 15-18 Girls 100 Freestyle event with a time of 56.01. The prior record was set by Melanie in June, 2005, with a time of 56.68. Congrats!

Who Is Eligible

To Swim At The Championship Meet?

Lineups are being planned every time you swim. You should be swimming your hardest every time you are in the pool. All of the meet results and practice performances are taken into consideration when planning championship lineups.

Some considerations that go into deciding who will go are:

- Who has the fastest times?
- Who swims legal every time?
- Who has been performing most consistently?
- Who has displayed excellent sportsmanship?
- Has the fastest time been swum recently or has the swimmer slowed down during the season?
- Does the swimmer behave respectfully at meets AND at practice?
- Does the swimmer come to practice regularly and does he/she work hard or play around?

In general, only the fastest swimmers in each event will participate at the Championship meet on Wednesday, July 25, 2007. Swimmers in the 9 to 14 year old age-groups may also be needed to fill events in older age-groups.

Never make assumptions about whether or not you will qualify for the championship meet. If you have concerns or questions regarding the meet, please contact Coach Vicki as soon as possible.

BE A STAR!

**ALWAYS STRIVE TO
ACHIEVE
YOUR VERY BEST.**
