This Past Week We...

Began our (very successful) runs for the show — Acted as set designers by creating dioramas of fairy tales from "Into the Woods" — Got creative with Improv games such as Scenes from a Hat, Oscar Winning Moment, and Who am I? — Painted our treasure box craft — Grew as actors, grew as friends, and grew as a community while preparing for our show. :)

Next Week We Look Forward To...

Celebrating "Witches, Wizards, and More" Week with fun crafts and games — Continuing our runs for Bye, Bye Birdie — Learning about the importance of show publicity by becoming publicists ourselves — Playing more games out of our suggestion box!
