ADVENTURE 3-4 - KILMER ELEMENTARY SCHOOL

"Oh the Adventures We Will Experience During Summer 2008!"

Dear Parents and Campers,

Hello! ☺ Welcome to Adventure 3-4 camp! My name is Carly Racusen and I will be the supervisor at Kilmer Elementary School this summer. Kilmer Elementary School is located at 655 Golf View Terrace in Buffalo Grove, Illinois. The slogan, "Oh the Adventures We Will Experience During Summer 2008!" accurately explains some of the major goals I have in store for camp. I am looking forward to watching your children learn new aspects about their lives, providing them with opportunities to positively interact with other individuals, and assisting them in making the most out of their experience here during summer 2008!

Before I begin discussing all of the exciting events your children have to look forward to this summer, let me tell you a little bit about myself. I will be a junior at the University of Illinois in Champaign-Urbana, Illinois. I am majoring in Human Development and Family Studies and planning on achieving my MSW. In my free time, I enjoy spending quality time with my friends and family, babysitting, and playing with my four poodles! I have been a counselor for the past four summers and was the supervisor for the Buffalo Grove Park District's Kinder Kamp last summer. I am thrilled to get to know each of your children and cannot wait to get this summer started!

Adventure 3-4 camp is going to be filled with influential and exciting field trips, enjoyable arts and crafts projects, valuable group bonding time, exciting camp themes each week, and quality fun in the sun! There are a variety of important dates that you should take note of. These dates include:
