Paula Minnick

Dear Families,

Welcome to the beginning of a wonderful summer in **Sunshine Explorers** at Alcott Center (530 Bernard Drive). My name is Paula Minnick and I will be your child's supervisor this summer. I graduated from Illinois State University in December 2006 with a degree in Early Childhood, Minor in Speech Pathology and Audiology and an endorsement in Special Education for Pre-K. I am currently a Special Education teacher for Pre-K students.

This summer is going to be great and is planned with many great activities that your child will enjoy. Our camp day runs from 9:30 a.m. - 1:30 p.m. Please remember that your child needs to be dropped off and picked up everyday from their classrooms and signed in/out. If someone other than the parents will be picking up your child then I will need a written note stating who is going to be picking them up. Please make sure to be prompt in picking up your children. Make sure that your child brings a lunch everyday and comes with a water bottle. It will also be helpful if you send a change of clothes for your child that we can keep in their cubbie.

Camp Groups: the first day of camp is when your child will find out their camp groups

Picture Day: Tuesday, July 8 @ 10:45am

Parent-Child Orientation: June 13, 2008 @ 11:00am-noon

I am very excited to meet all of my new friends and cannot wait to see their **Friendly Faces**. We will be starting this summer off with Friendly Faces as our first theme.

Have any questions through out the summer; please do not hesitate to contact me. I will return phone calls ASAP! I will have an open door policy all summer long so please feel free to let me know how everything is going!

See you soon,
Paula Minnick
