- Two varieties of premium tomato plants in one gallon pots.
- Some new plants given the distinction of "best of '08" by *Chicagoland Gardening* magazine.

NOTEWORTHY

- Prices have not increased from the 2007 sale.
- **Proven Winners®** plants are brought back again this year. **Proven Winners®** is a recognized brand name of plants that perform better than other plants. These plants are exceptional for container gardens and sell out quickly at nurseries. The **plants are innovative**, come in **beautiful colors**, and are **easy to grow**. **Proven Selections** offer similar characteristics.
- **Proven Winners® 12" square fiber hanging baskets** are also available this year. They have twice the soil, making them easy to maintain. The exceptional price for these baskets is \$25. They normally retail for \$35.
- Although the plant sale is on a pre-order basis, we will have a variety of overstocked plant material available for sale when you pick up your plants.
- Master Gardeners will be available to answer questions about your purchases.
- Cash or checks will be accepted.
- Additional order forms can be printed from our web page. www.bgparkdistrict.org, click on Information and then on Garden Club.

Support your local community. The proceeds from your purchase fund our most important projects: the **annual scholarship program**, the purchase, planting and maintenance of several **public gardens** in Buffalo Grove, and **speakers** at our monthly meetings, to which the public is invited.
